Re: Enriqueta Mera v. Bertha Santiago, et al.
Case No.: 07 CV 6069

Your Honor:

In reviewing my calendar for this week, I see that there is a final pre-trial conference scheduled in this case for Wednesday, March 19, 2008 at 4:30 pm. It appears that this date was probably set in error because the existing scheduling order provides for pre-trial submissions in July. I also note that the discovery cut-off date, which has never been extended, is set for June 30, 2008. I have spoken to my adversary, and he agrees that this appears to be in error, and he consents to the date being adjourned. Since the joint pre-trial submissions are currently due on July 31, 2008, and I anticipate that your honor will set the case for trial on that date, I would request that the final pre-trial be set in early September, due to the difficulties in contacting expert witnesses in August.

Respectfully,
Law Office of William Cafaro
